The Royal Military Colleges Club of Canada is the alumni association for all former cadets who have completed the first month of the first year at either the Royal Military College of Canada in Kingston, Ontario, the College Militaire Royal de St. Jean in St. Jean, Quebec, or the former Royal Roads Military College, in Victoria, British Columbia.

The aims of the Club are: the bringing together of its members for mutual benefit and support; the encouragement and maintenance of that camaraderie which has always existed at the colleges and the advancement of the welfare of its members, the cadets and the Canadian Military Colleges generally.
